The curious case of Lady Purbeck is here presented without embellishment, much as it has been found in old books and old manuscripts, chiefly at the Record Office and at the British Museum. Readers must not expect to find any well-drawn characters, fine descriptions, local colour, or dramatic talent, in these pages, on each of which Mr. Dry-as-dust will be encountered. Possibly some writer of fiction, endowed with able hands directed by an imaginative mind, may some day produce a readable romance from the rough-hewn matter which they contain: but, as their author's object has been to tell the story simply, as it has come down to us, and, as much as was possible, to let the contemporaries of the heroine tell it in their own words, he has endeavoured to suppress his own imagination, his own emotions, and his own opinions, in writing it. He has the pleasure of acknowledging much useful assistance and kind encouragement in this little work from Mr. Walter Herries Pollock.
