

Some of Tim s Stories (Hardback)

Filesize: 7.16 MB

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.

(Jesse Tremblay)

University of Oklahoma Press, 2007. Hardback. Condition: New. Language: English . Brand New Book. Short Stories from the bestselling author of *The Outsiders*, plus exclusive interviews A teenager when she first gained fame, now a seasoned writer, S. E. Hinton takes her trademark themes to a new level in *Some of Tim s Stories*--fourteen original stories depicting adults trapped in lives of missed connections and opportunities. The stories in this collection merge into a larger narrative about two cousins, Terry and Mike, whose lives and families are intertwined but whose paths lead to very different futures: one in prison, the other enduring a guilt-ridden existence working in a bar. The tales are made especially distinctive in the telling. The author of the stories is a bartender named Tim--the Mike of his own narrative--whose idiosyncrasies are perfectly captured in Hinton s intriguing use of metafiction. The book also features exclusive interviews with Hinton conducted by Teresa Miller, host of public television s *Writing Out Loud*. Hinton allows readers into her world as she never has before--speaking openly about her life and career. Complementing the book are line drawings that illustrate the stories and photographs that document the author s life. In one interview, Hinton calls *Some of Tim s Stories* the best writing I ve ever done. These stories capture the feel of the earlier books that won her fame while demonstrating an adult edginess and a more disciplined talent. *Some of Tim s Stories* is sure to captivate Hinton s long-time fans as it shows new readers that her soul-searching fiction extends masterfully to adult themes as well.
