Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Myxosporidia, or Psorosperms of Fishes, and the Epidemic Produced by Them The present paper is a contribution toward the Object indicated. A few words now as to its scope. The attempt has been made to compress the entire literature (as far as possible, every known fact) into one article. Further, every form 1 which has been at any time definitely referred to the group is here included. Such collection Of forms necessarily involved the exercise of some judgment as to specific identities and distinctions. Of course it is not contended that this proves, but merely that it more or less strongly suggests, identity Of parasite. The confirmatory test is naturally a comparison Of figures and descriptions. This latter test will Of course be preferred to the test by identity Of seat as soon as we shall be in the possession Of sufficiently accurate and detailed descriptions and figures, but in the present state Of our knowledge the mere absence Of difference between more or less incomplete descriptions and figures Of two forms with different habitats, produces no conviction in my mind Of the identity Of the forms. In general it is only where a double...
