Brand New Book ***** Print on Demand *****.The final battle of Trivium over the last world stands in the balance as the war between the Aedifix and the Solarvari takes on a new front. With the alliance of the 9 pillars of truth under the trinity of aspects, the Aedifix find their own world a battle ground of unspoken horrors. The Indomitus ferus find themselves standing in the middle of an age old war as the Totality of Kyrecium is called to their original task, guardian the sacred Obsidian Gold. With both the Aedifix and Solarvari seeking the one key that could change the balance of the war forever, their queen is caught between the calling of worlds. When even the stream of time itself is perceptive, one can find themselves walking down the hallways of the past. If time itself is fluid where one choice can change the course of history, it is anyone s guess at if the Aedifix or Solarvari will claim the final key. From the rebuilding Abyss lands of the Jezavari and the Void lands of their bloodlines to the very heart of the originative world of the Aedifix, the final Key is called to stand. Will the ties that bind the people together be strong enough to withstand the blood tides or will all of Trivium be washed away in the Dreamscape?.
