

Qué hacemos con el deterioro de la salud laboral y cómo avanzar en la igualdad de los derechos de los trabajadores en tiempos de crisis

By Vv.Aa.

AKAL, 2015. Condition: Nuevo. Para millones de personas, el trabajo perjudica seriamente la salud (accidentes laborales, enfermedades profesionales, exposición a sustancias nocivas, estrés.), pero buena parte de ese impacto sociolaboral es invisible, no está reconocido. Este libro arroja luz sobre una realidad que debería estar en el centro del debate y marcar las políticas de salud pública. A partir de un estudio de la situación española, propone medidas para que unas mejores condiciones laborales, más igualdad y un enfoque político más adecuado permitan mejorar el trabajo, la salud y, por tanto, la vida de trabajadoras y trabajadores.

Reviews

The book is fantastic and great. It is filled with wisdom and knowledge I am just easily will get a enjoyment of looking at a composed publication.

-- **Bradley Hahn**

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
