Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Transformed into a monster by her troll of an ex, Rosalyn is cursed with a monster s hideous form, stench, and predatory instincts. She is plunged into the dark underbelly of the fairy world that overlaps her quiet college town as she searches for a way to break her curse, and reclaim her humanity. The Underside is a contemporary fantasy novel about a woman dragged into a world she doesn t understand, where everyone she meets fears her, hates her, or wants to use her. She has to navigate this strange new world, trying to survive without hurting anyone until she reclaims her mortality, or loses the rest of her humanity trying.
