It seems to bring out the best in people of all ages and families do special things together that create lasting memories. Emily and Jimmy waited for the day when they could take their yearly trip to the tree farm and choose their Christmas tree. The days seemed to be creeping by oh so slowly until a winter snowstorm closed the schools and businesses in their town. Now as soon as the roads were safe, the family could plan their trip. Daddy was home from work and so as soon as the roads were safe to travel, the Barnable family climbed into their car and off they went. It was only an hour away and before they knew it, the tree farm was in sight. Rows of large green trees greeted them and the two excited children began to imagine which one would end up in their living room. Emily and Jimmy would soon learn that life is full of surprises and things are not always what they seem. There is magic in the air at Christmastime even on a tree farm. Read this charming story and discover the real lesson of the Forever Christmas Tree.
