

## Stellar Slapstick (Paperback)

By Eleanor Morris Wu

Light Switch Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eleanor Morris Wu has written a new Physics book inspired from the Archives of Ancient Chinese, Science and Chinese, I Ching, Stellar Slapstick and Surrealism and Dadaism of deep space and will be exploring end purposes of inverse activity and that will lead to conversation of entropy through use of surrogate in the solar planet systems, planets as differentials of the solar sun as well as meme like planets will be presented. The issues that are developed in her book are as follows: - Using ancient Chinese concepts of Yin/Yang and Number theory, they have solved the oldest problems in science brought up by ancient Greeks, squaring of the circle and the wave-particle duality. Theories of ancient Chinese science shown to be validated in Einstein s theory of General Relativity. - New ways of using ancient Chinese science to get information about DNA. - She has also discussed other things like the machine that produces perpetual energy of the sun. Origin of Black holes. - Is there any other place in our solar system that can support human-like life? - How to tell...
