

Professional Services Agreements Second edition: A Guide for Construction Professionals (Hardback)

By Rachel Barnes

ICE Publishing, United Kingdom, 2012. Hardback. Condition: New. 2nd edition. Language: English . Brand New Book. This is a comprehensive review of the issues that readers need to be aware of when negotiating the minefield of professional services contracts in the construction industry. It is practical and accessible in its approach, and addresses professional obligations when engaged under such agreements. It advises on the principle areas of consultancy risk and makes reference to some of the standard conditions produced by professional bodies. This book is an essential reference for consultants, project managers, architects as well as their legal advisors and insurers, enabling them to better understand and negotiate the contracts prepared by the client side of the industry for their professional services. It covers the contracts themselves and related legal issues and principles and is written in a way that will be accessible to non-legally trained readers. Uniquely the book provides an understanding of the risks, both legal and commercial, inherent in these types of professional appointments and therefore helps the reader to manage those risks. Another key feature is that it provides a supporting commentary on the benchmark professional service agreements, including the RIBA, ACE and RICS appointments, and...
