WARRIOR S RISE (PAPERBACK)

Whimsical Publications, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Logan Savage is a man s man. His idea of a good time has never included watching over and entertaining a bunch of kids at a summer camp. Especially when that camp happens to be full of kids with a love for mythology and medieval fantasy. In other words-a bunch of geeks. Unfortunately, in order to avoid a jail sentence for assaulting a cop, that s exactly what he has to do. Head counselor and owner of the camp, Willow Avaris, is a nice surprise. Beautiful, fiery and sexy. Too bad she loathes his very existence. Plus, the kids are making his life a living nightmare. Could the summer get any worse? Bravery and strength were things Logan always thought he had in spades, but as the summer goes on, and strange, surreal events take place around the camp, Logan is forced to look within himself and figure out what s important to him. It s safe to remain the self-absorbed, shallow man he s always been, but can he find the courage to reach inside and embrace the true warrior he was meant to become? Absolutely. I write about the things that inspire me, both in this world and in realms only seen with the imagination. My...
