

California Journeyman Electrician s Preparation Study Guide

By Captain Bob Norris

Craftsman Book Company, United States, 2009. Paperback. Book Condition: New. Revised ed.. 269 x 206 mm. Language: English . Brand New Book. Today, anyone doing electrical work within the State of California must be licensed or certified by the state. That means learning the rules and regulations that apply to electrical installations, and passing a state exam. This guide is designed as an aid to the 2002 National Electrical Code, your primary reference for the California State Certification Examination. Using the sample questions provided, you ll learn how to analyze each question so you know what to quickly look for in the Code. You ll become familiar with the Code s organization and learn proven shortcuts demonstrated to save time in helping you find the exact section, article, and table you need for each question. Instead of wasting time hunting through the Code, you ll be able to spend your exam time wisely -- so that you have time to review your answers before the test is finished. You ll review all sections dealing with special occupancies, zone classifications, working clearances, service installations, branch cir.
