Examination of the black holes suggests not only that God plays dice, but that we sometimes confused by throwing them in place that cannot be seen. -Stephen Hawking Hawkins, statement is certainly; formation of stellar bodies develops off, gases that are cooled on the other side, the exit of a black hole, and were not detected by the instruments in experiments performed by Hawking; until new discovery April 8, 2015, reveals that the stars and planets are formed with the gases emerging from the other side of a black hole. The myths creation in the history of humanity takes us away from the truth and leads us to inventions, well-hidden historical information that we discover later, meanwhile, we are lost in a wrong concept. Spectral analysis revealed the chemical analogy between the stars and rose to the rank of certain concordance of the Earth with the remotest stars of the milky way, even distant galaxies. The display cosmos searchable material is the sublime lesson, historically the first, granted us by the spectroscope with Kirchoff and Bunsen. Cosmic emanations coming to our land are identical to that part out of the cosmic matter. The creation is based on emissions which are parked in our terrestrial body to interact at the origin in the salt water and then leave to fresh water. The origin of life was one of the biggest mysteries. I displace here scientific data to break the path to our origins. We imagine that in the far universe are the clues to our origins when...
