### ***Reviews***

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

Random House USA Inc, United States, 2004. Paperback. Condition: New. Reissue. Language: English . Brand New Book. DANICA SHARDAE IS an avian shapeshifter, and the golden hawk s form in which she takes to the sky is as natural to her as the human one that graces her on land. The only thing more familiar to her is war: It has raged between her people and the serpiente for so long, no one can remember how the fighting began. As heir to the avian throne, she ll do anything in her power to stop this war--even accept Zane Cobriana, the terrifying leader of her kind s greatest enemy, as her pair bond and make the two royal families one. Trust. It is all Zane asks of Danica--and all they ask of their people--but it may be more than she can give.
