Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Jewish Science: Psychology of Health, Joy and Success, or the Applied Psychology of Judaism The author has retained the term Jewish Science because it has just historical basis. The Jewish student knows that the word, Science, is an exact translation of the Hebrew term, Chachmah, which means divine wisdom or truth. The word Science, in a religious sense, is strictly Jewish in origin and the entire phrase Jewish Science is in keeping with the faith and practise of Judaism. The first edition of Jewish Science or Divine Healing in Judaism contained only the germ of a larger idea. Yet, limited as it was, the first book was the means of keeping in the faith of Israel many who were about to go to other cults for the principles of faith-cure and mental science. It is not in place to publish here many letters that attest to this fact. Commendatory statements have also come from Jewish leaders and from men and women who sought the Spiritual aid of their mother-faith. The favorable reception of the first book has made steadfast iel conviction that the modern Jew is knocking at the portals of Jewish wisdom to find out just what Judaism teaches as a religious and spiritual science.
