

## Class Warfare: Inside the Fight to Fix America's Schools

Filesize: 8.48 MB

### **Reviews**

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Sallie Wiegand)*

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In a reporting tour de force, award-winning journalist Steven Brill takes an uncompromising look at the adults who are fighting over America s failure to educate its children and points the way to reversing that failure. Brill s vivid narrative filled with unexpected twists and turns takes us from the Oval Office, where President Obama signs off on an unprecedented plan that will infuriate the teachers unions because it offers billions to states that win an education reform contest; to boisterous assemblies, where parents join the fight over their children s schools; to a Fifth Avenue apartment, where billionaires plan a secret fund to promote school reform; to a Colorado high school, where students who seemed destined to fail are instead propelled to college; to state capitols across the country, where school reformers hoping to win Obama s contest push bills that would have been unimaginable a few years ago. It s the story of an unlikely army fed-up public school parents, Ivy League idealists, hedge-funders, civil rights activists, conservative Republicans, insurgent Democrats squaring off against unions that the reformers claim are protecting a system that works for the adults but victimizes the children. Class Warfare is filled with extraordinary people taking extraordinary paths: a young woman who goes into teaching almost by accident, then becomes so talented and driven that fighting burnout becomes her biggest challenge; an antitrust lawyer who almost brought down Bill Gates s Microsoft and now forms a partnership with Bill and Melinda Gates to overhaul New York s schools; a naive Princeton student who launches an army of school reformers with her senior thesis; a California teachers union lobbyist who becomes the mayor of Los Angeles...
