

Report on Blacklisting: II. Radio-Television (Classic Reprint) (Paperback)

Filesize: 8.9 MB

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Marlin Swift)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report on Blacklisting: II. Radio-Television Mosr americans are convinced that loyalty-security investigations of people working for the government in sensitive positions or seeking key federal jobs are necessary to protect the government from the infiltration of persons who might try to destroy it. But when loyalty tests are applied by private groups to people in private industries and people are barred from jobs because they are controversial many citizens become alarmed. The present report (with its companion volume dealing with the motion picture industry) embodies the results of a study initiated by The Fund for the Republic in September, 1954, when many Americans had become disturbed by the revelation of blacklisting practices in the radio, television, and motion picture industries. At the time this study was launched, such blacklisting was a subject of vigorous public controversy, involving civil liberties issues of a serious kind. It raised questions of freedom of thought and speech, of due process, of the protection of the individual against group pressures and of the community against the disloyalty of the individual. It was a controversy in which all participants commonly spoke in the name of the Constitution and civil liberty, but in violently conflicting terms. Those who advocated blacklisting practices did so on the ground that Communist and pro-communist infiltration into the entertainment industries represented a serious peril to the American system of law and governance, and therefore to the freedoms which it enshrines. The peril might be direct, through giving Communists access to mass media into which they could introduce subversive propaganda, or which they might even sabotage given the proper circumstances. It might be only indirect, permitting Communist sympathizers to enjoy popular esteem, earning...
