

Painting by Design: Getting to the Essence of Good Picture-Making (Master Class) (Hardback)

Filesize: 7.89 MB

Reviews

I just started out reading this ebook. We have read and so i am certain that i am going to gonna study yet again again in the future. I found out this book from my dad and i encouraged this publication to find out.

Echo Point Books Media, 2015. Hardback. Condition: New. Reprint ed.. Language: English . Brand New Book ***** Print on Demand *****. Charles Reid is beloved as a teacher for his ability to guide students beyond the superficial and straight into the heart of what makes good painting good. In *Painting by Design* he explains how seeing your painting subjects in terms of light, shadow, shape, value, and color, will help you create striking works that embody effective design while capturing the intangible essence of the subject. A firm believer in drawing as an ideal tool for understanding a subject as an abstract form, Reid opens this book with lessons in contour and rhythm drawing, providing photographs for you to work from. Next comes a chapter on effective and reliable ways to treat color and value in your work. With clear and easy-to-follow pointers on working with oils and watercolors, *Painting by Design* explains how color functions as an important design element. Reid goes on to cover figure painting and the difficult art of rendering faces with realistic detail and expression, neatly demonstrating how the techniques and strategies learned in earlier chapters can be used to create specific effects. Finally, Reid shares his method of properly balancing a painting. Explaining how to combine what he refers to as the effect (sharp-focus, high-contrast compositional elements) with the big blur (softer edges, lighter values) to create interesting and dynamic artwork. Packed with assignments, detailed demonstrations, and illuminating examples, *Painting by Design* provides big-picture strategies and techniques alongside tips for identifying and addressing specific compositional problems. Ideal for any artist who wants to hone their skills and develop their sense of composition, *Painting by Design* stands out among Reid's impressive catalog of painting books.
