Your tour of desire begins with this story set in West Virginia. Could Glenna bargain with a man like Jett? For her father's sake, Glenna Reynolds felt she had to try. The government was going to shut down her father's coal mine any way—the only chance was for a merger with Jett Coulson's huge conglomerate, Coulson Mining. She found Jett Coulson devastatingly attractive, but a tough businessman. And he wasn't interested in absorbing Reynolds's losses. It would have been easy if you'd suggested a merger with you, he told Glenna. In spite of his cool, emotionless arrogance, somehow Glenna was tempted by the proposition!.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
