Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the book that will change everything with your writing. Using today s technological advances, a strategic combination of apps, and guidelines to increase your focus, time management skills, use of segmentation and mindfulness, your writing will not only improve but will also become faster overnight. Great insight and tips. Highly recommended. - Satisfied Reader Do you stare at a blank screen often? Are you easily distracted by social media while writing? Does your writing seem forced and not conversational? Are you feeling overwhelmed by your book? Are you frustrated with the slow progress you re making on your book? Have you lost motivation? Do you work and can t find the time for writing your book? Are you struggling to finish your book? Do you wish you could write your book faster so you can have more time with family and friends? If any of the above apply to you, change your writing process today to see increased productivity immediately. Write faster with quality with the help of Writing Productively: How to Write a Book in 1 Day. Used in the course taught by Leah Hart, you ll learn all about the combination of apps and technology she uses to increase typed words per minute (wpm) as high as 180 wpm, including other productivity metrics applicable to writing. Her simple linear approach of A- B helps writers just like you finish their book and achieve amazing results. Start averaging 50,000 words per day as a writer and work up to as many as 250,000 in 1 day. ALERT! Other books do not compare and do not cover writing metrics, productivity or use of this specific blend of...
