A muscle-car book unlike any other, featuring the rarest vehicles on Earth. In the 1960s, something explosive happened in the automotive world: the United States evolving V-8 engine technology was met by 75 million baby boomers, all with an extreme need for speed and all entering the auto market at the same time. The result was the golden era of factory muscle cars, brutish machines that were unlike any the world had ever seen or will likely ever see again--they truly embodied the sex, drugs, and rock-and-roll generation. For some, even a factory muscle car wasn't enough. Detroit automakers responded, secretly building some of the most outrageous muscle cars ever created behind their superiors backs and ultimately creating some of the most powerful vehicles ever sold to the public. In Top Muscle, author Darwin Holmstrom chronicles the ultimate collection of these super-rare high-performance beasts. Captured by the lens of renowned auto photographer Randy Leffingwell, these cars represent the absolute zenith of the most valuable...
