Brand New Book ***** Print on Demand *****.[A] new people appeared on the scene, bringing with them the elements of a high culture and a knowledge of working in metals. These were the Pharaonic Egyptians, who seem to have come from Babylonia and the coasts of southern Arabia. Cities were built and kingdoms were founded on the banks of the Nile, and the Early Israel and the surrounding .population was forced to become the serfs of the new-comers, to cultivate their fields, to confine the Nile within artificial boundaries, and to carry out those engineering works which have made the valley of the Nile what it is to-day. -from Chapter V: Egypt A.H. Sayce was one of the most controversial figures in the field of biblical archaeology at the turn of the 20th century, a popularizer of ancient history who sought to prove the veracity of the Bible as an historical document. This 1899 work leaves no doubt as to why he enjoyed such success with the public: this is a compulsively readable work, yet one of formidable scholarship as well. A brisk study...
