ANGELS EYES (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.About the Book There are many myths and ideas about the book of Revelation. Angels Eyes addresses many of those popular beliefs. The intent of Angels Eyes is not just to entertain, but, to challenge one and all to dig deeper into scripture to find real truth. Inside the book you will find most of the questions people ask and/or quarrel about. It deals with things like the rapture, the mark of the beast, and the timelines and the volume of events of Revelation. Angels Eyes, WOW, what a great, simple, yet intense study of the book of Revelation from the bible. I have read Revelation s many times in my life, and heard many interpretations. Angels Eyes is the most shocking, up to date interpretation of our very own lives. To get this information of the bible is truly great news to me. I have read Angels Eyes three times so far. It s a story puzzle, amazing as it folds time in and out to complete the history of itself. The personal opinions and back-up scriptures made me study more as I read through this amazing and great book. Revelation is a powerful blessing to read, and to have extra mind opening thoughts truly enriches ones life. Angels Eyes can help you understand where we are in the scriptures at this time. You ll never be the same after reading Angels Eyes. This book is amazing, powerful, enlightening, shocking, scary, truthful, and helpful. This is a great bible study of Revelation. This book was started before Sept 11 and finished some time after. There fore I felt the need to comment on those events as to what they could represent. I...
