## India`s Economy: Some Issues and Answers

By Shankar Acharya

Academic Foundation, 2003. Hardcover. Book Condition: New. ?Shankar Acharya takes us effortlessly and yet with great analytical skill through some of the most critical economic problems facing the country. As a key insider until recently, he speaks with authority conveying his perspectives and concerns with a refreshing frankness, all of which makes this elegantly written book a lasting contribution to the study of India?s economic problems and prospects in the first years of the millenium.? -- Montek S. Ahluwalia Former Finance Secretary, Government of India ?Dr. Shankar Acharya is a distinguished economist, a keen observer of current affairs and a persuasive writer. Marked by analytical rigour, his articles offers an incisive commentary on economic events. With a subtle sense of humour and sarcasm, he drives home his points effectively. His articles cover a wide range of topics, all of which should go to enhance the ?economic common sense? in our country.? -- C. Rangarajan Chairman, Twelfth Finance Commission; Former Governor, Reserve Bank of India ?Dr. Shankar Acharya writes lucidly, and brings admirable judgement to the key macro-issues of the day. His book should be required reading for all policy-makers. The non-specialist reader will find in these pages easy entry into...
