Createspace, United States, 2014. Paperback. Condition: New. Krystal B Liburd (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Children should be exposed to art when they are young. Art can be used for play time activities and at any time during a child s development. Although schools are primarily focused on children passing standardized tests, I hope that they will not neglect the Arts. Our children need them. In book 2, you will see the continuing progress of this artist. These are pictures of friends just being friends and having fun. Enjoy viewing these pictures and creating some memories of your own.
