*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Earth School the book is an idea that inspired an enterprise that is growing every day. This enterprise is dedicated to being of assistance in the awakening of humanity to their internal truth. With the motto Search Within, the enterprise aims to supply small communities with the tools and knowledge necessary to practice discovering their own individual truth, as opposed to seeking truth from the millions of outer sources. At the center of our being is an energetically spiritual source, which can easily be identified as what some people call the soul, spirit, consciousness, observer or truth. Inside this book one will find information on the varying aspects that create our reality, including deeper understands on how to become more in tune with our own internal truths. We will explore the taboo subjects around the seen practices and unseen realities. At the end of the volume parts, we will take a look at the current global situation, where it is taking us and how to prevent unnecessary suffering. To create a Heaven on Earth, we must All be Conscious Co-Creators. This means that everyone must wake up, to arise from the state of sleeping and remember. This can not be accomplished as long as participation in activities that dumb down the masses are status quo. We must pull together and sway the tide to allow for the healing/spiritual life to transform into the new standard.
