BORDER SECURITY: IMMIGRATION ENFORCEMENT BETWEEN PORTS OF ENTRY (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Border enforcement is a core element of the Department of Homeland Security's effort to control unauthorized migration, with the U.S. Border Patrol (USBP) within the U.S. Customs and Border Protection (CBP) as the lead agency along most of the border. Border enforcement has been an ongoing subject of congressional interest since the 1970s, when illegal immigration to the United States first registered as a serious national problem; and border security has received additional attention in the years since the terrorist attacks of 2001. Since the 1990s, migration control at the border has been guided by a strategy of prevention through deterrence -the idea that the concentration of personnel, infrastructure, and surveillance technology along heavily trafficked regions of the border will discourage unauthorized aliens from attempting to enter the United States. Since 2005, CBP has attempted to discourage repeat illegal migrant entries and disrupt migrant smuggling networks by imposing tougher penalties against certain unauthorized aliens, a set of policies eventually described as enforcement with consequences. Most people apprehended at the Southwest border are now subject to high consequence enforcement outcomes. Across a variety of indicators, the United States has substantially expanded border enforcement resources over the last three decades. Particularly since 2001, such increases include border security appropriations, personnel, fencing and infrastructure, and surveillance technology. In addition to increased resources, the USBP has implemented several strategies over the past several decades in an attempt to thwart illegal migration. Recently, the Obama Administration announced executive actions to fix the immigration system. These actions address numerous issues, including a revised security plan at the southern border. The Border Patrol collects data on several different border enforcement outcomes; and this report describes trends in border apprehensions,...
