City Fiction, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is it possible that one person can change the opinion of eleven others in a criminal trial? The Judge requires a unanimous verdict. It is Friday and, increasingly, there are compelling reasons why several of the jury members need to be released from service. The foreman, a local business woman, struggles to hold on to her authority. The first vote results in a count of eleven for not guilty and one saying guilty . As the discussions proceed, and the drab, secured jury room produces additional pressures, the jurors begin to clash. This leads to an extraordinary outcome as the justice system is tested to its limits. Twelve Troubled Jurors is the second publication forming part of the Novella Nostalgia series linking iconic cinema classics with modern stories.
