Excerpt: . the affections of my fellow citizens, crushing all my best hopes, and depriving me of the happiness of doing good, and of the inestimable advantages of independence. CHAP. VII. Agathon is banished from Athens. / T H E period of my history I am now arrived at, revives such painful reflections, that I may well be excused from dwelling any longer upon it than is necessary for my own justification. It is possible, that some of my enemies might be influenced to combine against me from motives of republican zeal, and might have thought they should render as important a service to their country by contributing to my overthrow, as Hartnodi and Ariflogiton fancied they did in assassinating the sons of Pifistratus. But, in general, it is certain that those, who most obstinately sought my ruin, were actuated by no other motive than their jealousy of the power I was invested with by the unanimous voice of the people, which they considered with reason as an obstacle to their ambitious and interested designs: most of them persuaded themselves also, that they had some private injuries to revenge; some still kept alive the resentment they had entertained against me from the first time I appeared in public, when I rescued the integrity of my friend from the effects of their malice; others were offended, because in preference to them I was elected by the people to command against the revolted islands; many...
