ABRAHAM LINCOLN WAS HERE! A KID'S GUIDE TO WASHINGTON D. C.

Bellissima, United States, 2009. Paperback. Book Condition: New. 211 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****. Washington D.C. is our nation's capitol, and it's a very exciting place. Even though we aren't as old as Paris, London or Rome, we definitely have a history to be admired. People come from all over the world to visit our nation's capitol, and the reasons are many. Known as the city of trees, Washington D.C. has trees from every state, and trees from many countries. You can see embassies from other countries, the Whitehouse, Capitol Hill and more. And while you are there, everyone is telling you about their city; and there is so much you and your kids can learn. Don't waste your vacation time with your children. Feed their minds, their souls and their imaginations. Use this book as an introduction to D.C. and give your child an advance peek at what is ahead, use this book to talk about your trip, or use it as another learning resource and a step-off point for discussion. Let your children know how much fun learning really is! Enjoy the poetry of award winning author and former teacher and attorney, Penelope Dyan, and the wonderful photography of John D, Weigand, and have fun with yet another book from Bellissima meant for kids that looks perfect on your coffee table!.
