Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you are an introvert struggling in the modern world, I am here to offer you hope. I am here to let you know that there is nothing wrong with you and being an introvert is a gift - a strength. There are many advantages for introverts in today s world and I will explain how you should celebrate your hidden strengths. This will enable you to use your introverted personality to succeed when it comes to friendships, relationships, marriage and in the business world. The intent of this book is to help you get beyond your negative thoughts about being an introvert and allow you to celebrate it instead. You see I am an introvert. I am also an author, board member, and consultant. There are between 80 and 160 million introverts in America today, and all of us are looking for the same thing. We are all looking for that soul mate that we can settle down with for life. In this book, I will share with you the reasons why being an introvert can give you an advantage in the dating game. Along the way, I will share my actual experiences and why I was successful or why I failed in any romantic encounter. It is my hope that you will see yourself in this book and understand your own beauty and abilities in seeking your soul mate.
