

The United Nations, Intra-State Peacekeeping and Normative Change

By Esref Aksu

Manchester University Press. Paperback. Condition: New. 256 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. This study, available for the first time in paperback, explores the normative dimension of the evolving role of the United Nations in peace and security and, ultimately, in governance. What is dealt with here is both the UN's changing *raison d'être* and the wider normative context within which the organization is located. The study looks at the UN through the window of one of its most contentious, yet least understood, practices: active involvement in intra-state conflicts as epitomised by UN peacekeeping. Drawing on the conceptual tools provided by the historical structural approach, this study seeks to understand how and why the international community continuously reinterprets or redefines the UN's role with regard to intra-state conflicts. The study concentrates on intra-state peacekeeping environments, and examines what changes, if any, have occurred to the normative basis of UN peacekeeping in intra-state conflicts from the early 1960s to the early 1990s. One of the original aspects of the study is its analytical framework, where the conceptualization of normative basis revolves around objectives, functions and authority, and is closely connected with the institutionalised values in the UN Charter such as state...
