L.A. Weekly Books. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 9.1in. x 6.1in. x 1.1in. Okay, so at least youre interested enough to pick up this book and look inside. I think you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to buy the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy you think to yourself. No, and thats exactly the point. Bookstores are chock full of household name actors and their high stakes shenanigans. I dont want to be a spoilsport, but weve all been down that road before. Case in point: look to your left - see that Judy Garland book You dont need that, you know plenty about her already - great voice, crappy life. Now look to your right at the Charlton Heston book. You dont need to cough up hard-earned dough for that either. You know his story too - great voice, crappy toupee. The truth is that though you might not have a clue who I am, there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill: Confessions of a B Movie Actor is my first book, and I invite you to ride with me through the choppy waters of blue collar Hollywood. Okay, so buy the damned book already and read like the wind! Best, Bruce Campbell P. S. If the book sucks, at least there are gobs of pictures, and theyre not crammed in the middle like all those other actor books. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
