The Communist Manifesto: A Modern Edition

By Karl Marx, Friedrich Engels, Eric Hobsbawm

Verso Books. Paperback. Book Condition: new. BRAND NEW, The Communist Manifesto: A Modern Edition, Karl Marx, Friedrich Engels, Eric Hobsbawm, In the two decades following the fall of the Berlin Wall, capitalism entrenched itself globally in its modern, neoliberal form. Its ascendance was so triumphant that the word "capitalism" itself ceased to be used; it became a given. But with the outbreak of financial crisis and global recession, "capitalism" is heard and read everywhere again. The status quo is no longer something to be taken for granted. In such a time, The Communist Manifesto, written over a century and a half ago, emerges as a work of great prescience and power, as Eric Hobsbawm argues in his acute and elegant introduction to this modern edition. He highlights Marx and Engels's enduring insights into the capitalist system: its devastating impact on all aspects of human existence; its susceptibility to enormous convulsions and crises; and its fundamental weakness.

Reviews

This book can be worth a read, and far better than other. I could comprehend every little thing using this published e.pdf. You can expect to like how the blogger publish this pdf.

-- Rylee Funk

This ebook will be worth buying. It usually fails to price an excessive amount of. You wont feel monotony at whenever you want of your respective time (that's what catalogs are for regarding in the event you check with me).
