Freudian Concepts in America: The Role of Psychological Research in Preparing the Way: 1904-1934 (Paperback)

By Robert Charles Powell

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Insofar as Frederic W. H. Myers conceptions of paranoia . were spread by the . American Institute for Scientific Research (1904-1934), they probably did more to help than to hinder American acceptance of psychodynamic psychotherapy. Certainly, the alternative, primarily neuroanatomic, explanations were less elegant, less comprehensive, and not necessarily more scientific. Similarly, Insofar as . Myers conceptions of the subliminal were spread by the . Emmanuel movement for medically supervised religious psychotherapy (fl.1906-1910), the movement probably did more to help than to hinder American acceptance of Freudian ideas. Certainly, many academic psychologists conceptions of the unconscious and subconscious were a hindrance. William James (1842-1910) dated the dawn of modern psychology to 1886, the year of the discovery that there is not only the consciousness of the ordinary field, . but an addition thereto in the shape of a set of memories, thoughts, and feelings which are extra-marginal. A sizeable historical literature argues about to what author and to what article James referred - and many in the psychological research community appear to have accepted Dr. Powell s well-researched conclusions...
