Filesize: 3.86 MB

Reviews

An exceptional book and also the font utilized was intriguing to read. This is for all who stante there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Tyson Hilpert)

Polity Press. Paperback. Book Condition: new. BRAND NEW, Abstracts and Brief Chronicles of the Time: I: Los, A Chapter, Helene Cixous, For years Helene Cixous has been dreaming about The Book-I-Don t-Write but each time she approaches The Book, it withdraws. The-Book-I-Don t Write is always just out of reach. When Jacques Derrida told her The Book would get written one day, but differently, Cixous tells us she would see it shining behind a veil, its indecipherable back, upright on heaven s bookshelf, its elegant silhouette, utterly foreign, utterly familiar, of future revenant. I ve always thought it would come, naturally. When? After all my deaths? Just before, or just after, the last of the deaths. The Book turns up one day when she is no longer expecting it: Quickly, without taking my eyes off it, I copied it down, staying scrupulously close to its notations, its rhythms, its moments of silence. I found it. Just as you see it. She calls it Los, meaning loose, detached in German, her mother s tongue. Or Los like Carlos, the Latin-American friend whose unexpected death in May 2014 takes her back to a life they shared and a time The Book will reconstitute in the present, abolishing time: That morning I saw the universe of The-Book-I-Don t-Write: it is an infinite of presents. Los is a marvellous exploration of time and relationships. It reimagines scenes from Paris in the late sixties: its cafes, its debates, its political turmoil. Both playful and serious, it is a book in a long line of novels from Balzac to Proust that create worlds both philosophical and concrete. In Los a lost time is regained.
