C-TUNES: HOW TO KEEP UP WITH CONDUCT IN THE POST-CRISIS WORLD

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Conduct risk is becoming more and more a buzz word in the financial industry and for regulators. Amidst todays evolving operating landscape, Vinita has been instrumental in helping senior leaders and colleagues at Barclays interpret and make sense of what good conduct risk management entails, all with a focus on making a tangible difference for our clients, colleagues and the wider industry. Converting theory into practical implementation advice, Vinita has provided pragmatic support and direction to the business, enabling each region to evolve conduct journeys tailor-made to meet their own set of priorities. Through this book, she shares her insights and experience, bringing to readers many practical examples that they can identify with and think through for their own businesses.
