

Apocalypse Baby (Paperback)

Filesize: 2.05 MB

Reviews

A fresh electronic book with a new viewpoint. I was able to comprehend every thing using this written e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Feminist Press, 2015. Paperback. Condition: New. Language: English . Brand New Book. Virginie Despentes s Apocalypse Baby kept me up several nights in a row--in part because it s a terrific page-turner, and in part because I was anxious to see how Despentes would sustain her narrative ride. Apocalypse Baby is more than a compelling punk, queerish spin on the noir genre. It is a choral performance that tumbles its readers into the heart of violent spectacle, with all its attendant grief, unease, and unclarity. --Maggie Nelson, author of The Argonauts Apocalypse Baby is a smart, fast-paced mystery about a missing adolescent girl traveling through Paris and Barcelona. She is tailed by two mismatched private investigators: the Hyena, part ruthless interrogator, part oversexed rock star, and Lucie, her plain and passive--almost to the point of invisible--sidekick. As their desperate search unfolds, they interrogate a suspicious cast of characters, and the dark heart of contemporary youth culture is exposed.
