DAD S PASSWORD JOURNAL: INTERNET PASSWORD LOGBOOK WITH ALPHABETICAL ORDERING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
Does your dad always complain about forgetting his passwords? If so then this is the perfect gift for him! This journal has space to record a website name, url, username, password and notes for over 300 websites! In recent years hacking has become a huge problem for our security! We re constantly being told that we need to use a unique and difficult password on every website to limit the potential damage, but the problem is we then have to somehow remember them! While we re also advised not to write them down, that rarely stops us and if we re going to write them down anyway we may as well do it in a way that we can keep safe and in one place, rather than scribbled on scraps of paper littered around the house or office! Save your dad some stress with this Password Journal!.
