Brand New Book ***** Print on Demand *****.The eldercare industry is dramatically improving, but friends and family are still the prominent caregivers for seniors. And many of these generous, well-meaning individuals are fighting the battle alone. Buried Treasure is an essential reference guide for all things related to dementia. It is designed to help reduce stress and improve care in a manageable, focused, and straightforward manner. Author Victoria Jones's two decades of experience show you what to expect, how to guide conversations without causing anxiety, and how to optimize the living environment to make caregiving easier. This book is about you, the caregiver. It will help you provide the best care you can, make the best possible decisions, and, most importantly, enjoy the special bond you share with your loved one. Arm yourself with a better understanding of dementia and Alzheimer's disease. Master the skills necessary to provide a healthy, supportive, and comfortable environment. And finally, develop the knowledge and passion to take this emotional journey with one who needs your strength to make it through these final years.
