Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from The Day Journey Rose Summers paused a moment before she lifted the latch of a little gate set between two walls of yew. It was June. The sky had the blue of larkspur, the air was sweet with the scent of flowers. The gate in the yew hedge opened upon a small flagged court leading to a porch wreathed with roses. Above the porch clematis and ivy continued the wall of living green almost to the gables of what had once been an Elizabethan farmhouse, and was now the picturesque home of Robert Kingslake and of Cecily his wife. To the left, above a walled garden, great chestnut trees reared their heads, and flung shadows across the lane in which Mrs. Summers was standing. The stillness, broken only by the sleepy clucking of fowls, was of that peculiar peacefulness which broods over an English country-side.
