Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: .In order to utilize the ground up to the line, a dead party wall was built, requiring that all illumination should come from the other side, already shadowed by the main building. The blank wall of one side of this school assembly is shown in illustration 20, page 57. The interior view of the adult assembly, illustration 82, page 153, shows this room lighted from the right side only. There are no windows to the left. The departmental assembly, shown in illustration 80, page 149, is also lighted from one side only, viz., from the right. The main light passes through the four windows to the immediate left of the side entrance shown in illustration 22, page 59. It is quite evident that these four windows cannot furnish adequate light for a room which runs the entire width of this building. The secondary light entering this room only slightly supplements the light from the four windows. The front lighting of the Maplewood Baptist assembly as seen in illustration 71, page 13 7, is a particularly faulty typeof lighting and one to be avoided. The high standards for platform and stage have not been approached. These standards suggest a utilization of the school assembly for pageantry, dramatization and other school and community activities which cannot become possible because of the inadequate provision of the majority of assemblies in the seventeen plants. The highest scores on this item were allotted the First Parish in Malden, Universalist, and the...
