Blake Penson, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many people today consider the clock as their enemy, with agendas and activity that are squeezing out any hope for rest, reflection and spiritual renewal. The Divine Prayer Clock teaches a lifestyle that is based on a spiritual rhythm whose intent is to restore God's purpose and potential in our lives. The Divine Prayer Clock outlines the lifestyle of prayer that was revealed by God to Moses, developed by King David, and given its fullest meaning and purpose in Christ Jesus. It was practiced by the Apostles and the early church, and continued to be a vital part in the life of believers in the first centuries of Christianity. It has been rediscovered and has revitalized the Christian faith at key moments in the history of the church. It is the author's opinion that we are entering such a moment and, that in studying the Divine Prayer Clock, you could have the opportunity to be part of a movement of renewal and revival that will transform the world we live in.
