Roc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Harper Blaine was your average small-time PI until she died--for two minutes. Now Harper is a Greywalker, treading the thin line between the living world and the paranormal realm. And she's discovering that her new abilities are landing her all sorts of strange cases. A quarter century ago, the Seawitch cruised away from her dock and disappeared with everyone on board. Now the boat has mysteriously returned to her old berth in Seattle and the insurance company has hired Harper to find out what happened--but she's not the only one investigating. Seattle police detective Rey Solis is a good cop, albeit one who isn't comfortable with the creepy cases that always seem to end up in Harper's lap. As Solis focuses on the possible murder of a passenger's wife, Harper's investigation leads her to a powerful being who may be responsible for the Seawitch's disappearance. While their searches lead Harper and Solis in different directions, they will need to put aside their differences to solve a mystery twenty-five years in the making.
