Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is an absence in the heart that nothing in the world can solve. True love; honest meaning; genuine purpose; are all missing from our lives. The world scrambles to answer this intolerable pain. But relationships, things, and even religion fail to satisfy the pain of their hearts and souls. Because these things, like mankind, have no life in them. No sustained meaning. And no cause for their continued existence. The Light of God, is the Living Eternal Spirit. The Highest order of Truth. Being himself justified by no other truth or measure. The Light, calls us. But it is a living Spirit. And the natural will of man rejects it. The Light, calls to us. Wanting us to become light, with him. And be light, forever. To call the Light home: and we, his. To be family; and children to the Light. His offspring; and dwelling place. All residing in one Light; and one Spirit. The Light sent his own essence into the world to purchase us all to the guarantee of the Resurrection. Which for some, is a beautiful thing. But for others, it is horrible. (Being forever, for all.) As all will be regenerated: and take a celestial form. Some, clothed in the Spirit of the Light. And many others, clothed in darkness and shame. Family, a home filled with endless love, and joy forever: this is what the Light of God calls us to.
