Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

It Governance Ltd, 2017. Paperback. Condition: New. European ed.. Language: English . Brand New Book ***** Print on Demand *****.A concise introduction to the EU GDPR The EU General Data Protection Regulation (GDPR) will unify data protection and simplify the use of personal data across the EU from 25 May 2018, when it will automatically supersede member states domestic data protection laws. It will also apply to every organisation in the world that processes personal information of EU residents. The Regulation introduces a number of key changes for all organisations that process EU residents personal data. EU GDPR: A Pocket Guide provides an essential introduction to this new data protection law, explaining the Regulation and setting out the compliance obligations for EU organisations. Product overview EU GDPR - A Pocket Guide sets out: A brief history of data protection and national data protection laws in the EU (such as the German BDSG, French LIL and UK DPA). The terms and definitions used in the GDPR, including explanations. The key requirements of the GDPR, including: Which fines apply to which Articles; The six principles that should be applied to any collection and processing of personal data; The Regulation s applicability; Data subjects rights; Data protection impact assessments (DPIAs); The role of the data protection officer (DPO) and whether you need one; Data breaches, and the notification of supervisory authorities and data subjects; Obligations for international data transfers. How to comply with the Regulation, including: Understanding your data, and where and how it is used (e.g. Cloud suppliers, physical records); The documentation you need to maintain (such as statements of the information you collect and process, records of data subject consent, processes for protecting personal data); The appropriate technical and organisational measures you need to take to ensure your compliance with the...
