The Top 10 Things People Lie About on Online Dating Sites is a guide for men and women to help them in their pursuit of Love via Online Dating Sites. Lets face it, there are thousands of Online Dating Sites today and most people meet their partners, husbands, wives, girlfriends, boyfriends, friends with benefits and lovers on Online Dating Sites. The reality is most people are too busy working or just too shy to approach someone on the street to actually go out and hunt down a mate. Thanks to the Internet, you can now find love online or anything else you are looking for. I myself have been an Online Dater on and off since 2002. I have been on quite a few sites, some are not even around anymore because they have been bought out by the bigger names. This was way back when Online Dating was starting to get big. I think it is a great way to meet someone but you have to be very cautious. I met my x-Husband on Match. com in 2002. He was the first guy I saw on there that I was attracted to. I didnt even bother looking around once I saw him. I contacted him first and needless to say he lied about almost everything and I was too nave and ignored all of the warning signs. We dated for five years before we got married and he never really changed. He was a Cheater, Liar and a Manipulator who had a handful of women at his disposal at any given time that he used for different purposes. I was his Trophy GirlfriendWife yet he had many other women...
