## Description of a glass apparatus, for making mineral waters, like those of Pymont, Spa, Seltzer, c. in a few minutes, and with a very little . Dr. Priestley, . By J. H. de

By Joao Jacinto De Magalhaes

Gale ECCO, Print Editions. Paperback. Condition: New. This item is printed on demand. 62 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Medical theory and practice of the 1700s developed rapidly, as is evidenced by the extensive collection, which includes descriptions of diseases, their conditions, and treatments. Books on science and technology, agriculture, military technology, natural philosophy, even cookbooks, are all contained here. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: British Library T074551Pp. i-ii is a cancel: Advertisement of the editor, relating to the use of the simple glass machines for making mineral waters. London...

### Reviews

*The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.*  
-- **Eliane Bednar**

*This book is definitely worth acquiring. Yes, it is enjoy, still an amazing and interesting literature. Its been written in an remarkably basic way and is particularly simply soon after i finished reading through this pdf where actually changed me, affect the way in my opinion.*  
-- **Murray Marquardt**
