The UK s best-selling series, Improve Your Sight-Reading! is now available in an edition ideal for the US market and guaranteed to improve sight-reading! This workbook is designed to help overcome the nerves that can cause sight-reading problems by giving sound technical advice and confidence boosting tips. Step-by-step it helps the violinist to build up a complete picture of each piece, first through rhythmic and melodic exercises related to specific problems, then by the study of a prepared piece with associated questions for the student to answer, and finally going solo with a series of carefully progressive sight-reading pieces. Check-boxes for each stage allow both teacher and pupil to keep an eye on progress.
