Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Meaning of Life I3 gs lievelieve its dogmas, all is well. But many per sons cannot believe, either on scientific or philosophical grounds, or because they know something of the history of the Creeds. And if that be the case, then they must face the tremendous dilemma in their own way. Either Death puts an end to conscious life or it does not. In the first case, the constituent elements of our body, which for some few years cohered to form the self, are dispersed and go back again to the bosom of Nature to be worked up possibly into new shapes, but at all events to the utter destruction of the self. In the second case there is something in us which is untouched by physical decay - which leaves the decaying body to rot in its own man ner, while itself survives. Supposing that we assent to the separate existence of the soul, what then? What becomes of it after death? Does its survival mean that our personal con sciousness survives, so that we are recognisable individualities - Tom, Dick and Harry in a new Sphere? Or does our Spirit become merged in a universal spirit, the limited be coming unlimited, the finite infinite, so that Tom, Dick and Harry cease to be distinct and lose themselves in God? You See, it makessuch a difference to us in this world which horn of the dilemma we accept. If our pres ent life be all, if we have just our three-score years and ten to play with, and then nothing ness - well, there will be no little justification for the hedonist and the libertine when he says, Let...
