Farsi Verbs Dictionary

By Reza Nazari, Jalal Daie

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The verb is an essential element of Farsi language - only the nouns occur more frequently in the written and spoken language. Verbs have always been a major problem for students no matter what system or approach the teacher uses. Farsi verbs are usually found scattered in Farsi training books and they are difficult to find quickly when needed. This dictionary was prepared for English people interested in Farsi language. With a stunningly array of more than 3,000 entries, it is an invaluable work of reference. The Farsi Verbs Dictionary is intended to serve as a guidebook on the meanings of all verbs you are most likely to read, hear, and use. The authors attempted to include all the verbs you are likely to need. The main form of each verb given in the dictionary is the accepted Iranian standard spelling. Although there is usually one way that most verbs can be spelled, sometimes other spellings are also acceptable. However, the spelling given as the headword is the most that most people use.
